

Training presented by  
**Dr. Betsy Diamant-Cohen**

**Collins Main Library**  
 200 West Park Avenue, Tallahassee, FL  
 Program Room A&B

**Thursday, April 26, 10:00 – 2:30 p.m.**

**Registration recommended: 606-2708**

Please bring your own scissors!

\$1 parking available from Bronough Street only

**This hands-on training is geared for caregivers of children 0-2 including day care centers, home care providers, librarians, and others.**

Hands on training gives participants a background in brain research, learning theories and the importance of play. Originally created for children from birth to age two with their parent or caregiver, this adaptable program can be used in childcare circle times, in playgroups, as an after school enrichment program for kindergarten children, or at home.
